Forecast for Sunday 19 Sep 2021

Weather: Rather cloudy through the morning with showers or longer periods of rain, which turns heavy at times. From early afternoon dry and increasingly bright conditions will spread from the southwest.

Chance of cloud free mountain/hill tops above 800m: 40% increasing to 95% plus by early evening.

Visibility: Good or very good, falling moderate or poor in showers or longer periods of rain, also very poor in hill fog, chiefly during the morning, with bases lowering 500m frequently in south, occasionally in north.
